

(click on the image to see a great CG conference venue)

I have been invited to chair the scientific committee of the Spanish <u>EG Conference on Computer Graphics</u>! Don't

forget to send your papers and see you all in the beautiful beach of Benicassim (Castellón) from 1 to 3 of July 2015

The proceedings will be available at the EG library and the best papers will be invited for publication in the Computer Graphics Forum journal.
